

## Luzerne County Fair 2019

One of our biggest fundraisers is the Luzerne County Fair. The band has a food stand where we sell hot dogs, hamburgers, potato pancakes, marching tacos, haluski...just to name a few. The fair is September 4<sup>th</sup>- 8<sup>th</sup> (Wednesday-Sunday). Our food stand is open each day of the fair. The shifts are 4-5 hours and there are 17 shifts and 8 people/shift for the duration of the fair that we need to fill. We are asking that each **parent** volunteer to work at least one shift.

Here is the breakdown of the schedule. You can circle which shift you can work and return to me during band camp or put it in the mailbox outside of Ms. Kulikowski's office. The signup sheet will also be posted in the band room. Students are also encouraged to help at the food stand, Wednesday and Sunday when there is no practice and after practice on Saturday. Students receive their choice of a hotdog, hamburger/cheeseburger, or chicken fingers, an order of fries and a drink for helping during their shift.
