

(Marching Band 2020-21)

STUDENT INFORMATION

Welcome to the Lake-Lehman Marching Band, Indoor Percussion, Indoor Color Guard. The Band Parent Sponsors ask that you and your parent(s)/guardian(s) sign and return this information sheet. The Band Parent Sponsors understand the amount of time and level of commitment each student puts into these programs. The Band Parent Sponsors also put time and commitment into the programs. We provide chaperones, financial support, and countless hours of assistance to help these students succeed. We would like the students and parents(s)/guardian(s) to be informed of our policies and expectations.

I understand that all instruments, uniforms, costumes, flags, and props are the property of the Lake-Lehman School District and/or the Lake-Lehman Band Parent Sponsors. This includes items such as, marching band uniforms, raincoats, bodysuits, leotards, scarves etc. (It does not include items that I paid for such as: socks, shoes, gloves and t-shirts.) I am aware that it is my responsibility to keep and maintain the items given to me for my use during the outdoor and/or indoor season. I also understand I must return all items (instruments, uniforms, costumes, flags, and props) at the end of the season in their original condition. I understand that I may be held financially responsible for any items that I fail to return, or damage.

I understand that all school district policies regarding behavior and conduct apply to me while I am on school grounds. I understand that these same standards apply while I am on the team bus, attending any competitions or performances at any other school or venue, and while at any restaurants, hotels, rest stops, etc. while I am traveling with Lake-Lehman. I understand that unacceptable behavior and insubordination may result in my not being able to participate in any future band/percussion/colorguard activities.
